

Books, magazines and digital resources are protected by copyright, but this institution has a licence to copy from publications the institution owns

Your licence gives you...

5%

permission to copy 1 article, 1 chapter or 5% - whichever is the greater

peace of mind that you are not infringing copyright

time - and financial - savings because you don't have to seek permissions from publishers

the knowledge that creators will be fairly paid for the use of their work

free access to **CLA's Education Platform**, an easy way to make digital copies under the Licence
